

*La vera contemplazione
ci fa scoprire nelle meraviglie
del creato la potenza di Dio
(Madre Letizia Zagari)*

Oh Most Holy Trinity,
we give You thanks for having given
to the world and to the Church
Mother Letizia Zagari,
Servant of the Word and
of the Eucharist, open to the
evangelization and to the hospitality
of our brothers and sisters according
to the example of the Virgin Mary,
Our Lady of the Eucharist.
We beg You to glorify this Your
Servant, that with humility and
charity You have conducted many
souls to live in the paschal mystery
announced, celebrated and witnes-
sed with her life. If her glorification
is in conformity to Your Will, grant
us the grace that we ask. Amen.

imprimatur
